"My Henderson—School with a heart!
To me can come no fuller test
That all thy work is ordered well;
I know enough to trust that all is best,
Where gracious Love and sage Wisdom dwell."

"There's Yale and Princeton and Cornell, I know them all and I know them well, But there never was a school like HENDERSON!"

### The Ouachita

"All that is beauteous, lies, imaged there
Gaining happier beauty: O pellucid stream,
Thine the truer grace, the diviner air,
The most gorgeous tints that gleam."

"When I'm on the Ouachita, the Ouachita, I meet life with a glad ha! ha! There's the blue above and the blue below, And Love wherever I go."

CANDIDATE FOR A.B., B.S.

"A man who stands foursquare to all the winds that blow,"

A foursquare, all-round, typical college man is our "Mutt." In our junior year he guided the destinies of our class so successfully that he was given the job for another year, and he has almost made us conceited by his pride in us. A fine president, a good editor-inchief for The Oracle, a football manager of whom we can well be proud, a splendid student is "Mutt." But is that all? No! His looks! "Mutt" would make a wonderful model for "A skin you love to touch" advertisement. He is a real man and Henderson will truly say, "Gone, but not forgotten."

C. A. '22, '23, Assistant Editor Oracle, '23, President Society, '23.

"Go where she will, she will make her mark."

Here is one of the most brilliant young ladies that has ever entered the portals of H. B. C. This is justly proved by the list of honors she has laid away. As an English shark she has no equal in school. She is an ardent student, a devoted worker, and a leader in student and religious activities. No doubt she will be valedictorian of the class this year.

#### "If it be a gentleman and a scholar ye seek, ye have found him."

Some things are beyond comprehension, and "Ab" is one of those things. Intellect, genius, joviality, sincerity, enthusiasm, indifference are fused together, in that wonderful personality which we know as Sage McLean. He has tackled any number of jobs and has come out successful every time. He is widely known as a fighting Reddie. Sage deserves credit for the peppy way he goes after every task, and even more credit for the successful completion of all of them.

#### ALITA HAMITER, Upsilon Phi BRADLEY, ARKANSAS CANDIDATE FOR A.B., B.O.

Society Officer five quarters; Vice-President Society, '21; Y. W. C. A. Cabinet, '21, '22; Vice-President Y. W. C. A. "'Tis modesty that makes them seem divine."

A quiet, modest, unassuming young lady is Alita, but she is a demon on the basketball court. Her ability for leadership was so apparent that she was elected captain of the team for the third consecutive year, a very rare occurrence in athletics. She, too, is one of the leaders in religious and society organizations, and we predict a bright future for

"Resolved to rule or ruin the state,"

"Duke" possesses a superabundance of loquacity and can cover up a searcity of ideas with a multiplicity of words. In the matter of speaking contests, Duke, with his magnificent voice and general knowledge, has made a wonderful record. No matter to him what he speaks about just so he has his "Marks." Surely, Duke, the silver-tongued orator, will travel a flowery path in a triumphal procession to a professorship of Bluffology. Here's to his success.

ELEANOR HARRIS, Philomathean Arkadelphia, Arkansas Candidate for A.B.

"Woman is most perfect when most womanly."

Though quiet and most reserved, Eleanor can always be counted on to do her part. She has been with us a number of years and we have learned to appreciate her for her real worth and fine qualities. We are glad she belongs to Twenty-three, for in her we have a friend.

"He is not lazy, but does not believe in exerting himself."

Long, lean and lanky, a good sport, an independent, fearless sort of chap. That's our Jim! He has made himself a little scarce on the campus this year, but that's because he has been selling insurance policies. Nevertheless, the girls think Jim is just a dear, and everybody knows what he thinks about them. The compliment is all theirs.

GLADYS HOCKING, Upsilon Phi
DUMAS, ARKANSAS
CANDIDATE FOR A.B.

"A maiden never bold; of spirit still and quiet."

That running center who certainly has the speed? That's Gladys. Just because she's small doesn't say she's little. Although she is among the least in size in the class she is by no means least in many ways. She is very industrious and has proved herself a good athlete. She loves to get in a game and she loves to win. Beware, men, of Gladys!

CANDIDATE FOR A.B.

"Things will happen anyway, why worry?
All things come to those who wait, why
hurry?"

Here is an athlete who has won honors for his class and college; here is a fellow who is the embodiment of clean, good sportsmanship. Fletch knows how to be a friend; he possesses an individual spontaneous humor that is hard to equal. It is thought by some that this young man will, perhaps, enter the ministry. Why? To love his "Bishop" more!

KATHERINE FAIR, Philomathean ARKADELPHIA, ARKANSAS CANDIDATE FOR A.B.

Society Officer two quarters, '21, '22; Oracle Staff, '23; Vice-President Arkadelphia Belles' Club.

"Most precious treasures often come wrapped in smallest packages."

Katherine is one who always does what is expected of her and makes very little fuss in doing it. She never becomes excited or worried unnecessarily over any unexpected turn of school life, but calmly does what her sense of duty demands. Faithful to her duty and every trust Katherine must have a successful future.

BENJAMIN R. RUSH, Garland camden, arkansas

CANDIDATE FOR A.B.

Football Team, '19, '20, '21; Baskethall Team, '20, '21, '22; Baseball Team, '19, '20, '21, '22; Captain Baseball Team, '21, All-State Second Baseman, '21; All-State Second Baseman, '21; Track Team, '20; Winner Two-Mile and One-Half-Mile Race at State Meet, '21; Winner Two-Mile Race, '21; Captain Track Team, '21; Winner Two-Mile Race, '22; Society Officer two quarters, '21, '22; President Society, '23.

"In love, but with one,"

Rush is a jolly good fellow whose big smile has brightened our campus for four years. He is small in stature, but big in his ways. His place in the classroom, on the athletic field, in society, and in all college activities, will be hard to fill. Here's our best wishes, Ben, for the best future in all the world. Our blessings on thee, little man!

# LA FAYETTE BAKER, Upsilon Phi ARKADELPHIA, ARKANSAS

CANDIDATE FOR A.B.

Secretary Arkadelphia Belles' Club, '20; Secretary Society, '21, '22; Medal for S. S. Teacher Training Course, '22; President Belles' Club, '23; President Society, '23.

"Every smile, so merry, drives care away."

La Fayette is famous for her sweet disposition. She is always smiling and who ever saw La Fayette real angry? She will meet any fate with a laugh and a jest. Arkadelphia has produced no better girl. Her houghts, ideals, and aspirations are high. She's the kind you can count on to be right on the job with her best.

James M. Chamberlain,

Gamma Sigma

MALVERN, ARKANSAS

CANDIDATE FOR A.B., B.S.

French Club, '20; Vice-President Society, '21; President Society, '21; Assistant Track Manager, '22; Track Manager, '23; President Spanish Club, '23; Oracle Staff, '22; Editor-in-Chief Star, '23.

"The least said is easiest mended."

"Ax" sees and hears much, but tells little and that's more than most men do. He hails from Malvern, where all Arkadelphia "lights" come from; he is a product to be justly proud of. A math shark and a \$13AR editor is James. Though quiet and unassuming, he will have success.

#### VESTA ROGERS, Upsilon Phi HOT SPRINGS, ARKANSAS CANDIDATE FOR A.B., B.O.

Inter-Society Reader, '20; A. B. C. Club, '20; Sons and Daughters' Club, '20; Y. W. C. A. Cabinet, '21, '22, '23; Society Officer, '22, '23; Beta Veta Delta, '21; Life Service Band, '23.

"Beaming face and ready smile, Eternal brightness all the while."

One of the most consistent exponents of the gentle art of studying, Vesta does her part to keep pure the moral atmosphere and advance the general good of the college. Regal, jolly, bright and rare is this Hot Springs jewel.

### MAY BELLE OAKES, Upsilon Phi GLENWOOD, ARKANSAS

CANDIDATE FOR A.B.

Music Critic Society, '20; Vice-President Society, '22; Hall Leader of Mission Study, '22; Treasurer Society, '23; Y. W. C. A. Cabinet, '23; Vice-President Spanish Club, '23.

"The king—becoming graces—devotion, patience, courage, fortitude."

Do you know her? A shy, demure young thing, but one who knows how to assert her rights when the need arises. That's our May Belle. Ask her to pronounce her name in Spanish. "Queenie," however, is her favorite title. A true friend, a good student and a real sport is this girl from "Glenwood on the Caddo."

### MAE BARLOW, Upsilon Phi NORTH LITTLE ROCK, ARKANSAS

CANDIDATE FOR A.B.

Vice-President Freshman Class, '19; Society Officer, '21, '22; Graduate Home Economics, '21; Y. W. C. A. Cabinet, '21, '22, '23, '19 Fresident Society, '22; Treasurer Junior Class, '22; Good Housekeeping Medal, '22; Vice-President Society,

"And still the wonder grew: How one small head could Carry all she knew."

Here's one of those members of old Twentythree who can entertain with equal ease, from a faculty member to a freshman. Here's one with a heart of gold and all the qualities that blend in making a true girl. This is Mae's second year as a senior in Henderson. Where will she be famous? In the kitchen or in the schoolroom, in Gurdon—no matter which, success will be hers.

SELWYN SELLER, Philomathean gurdon, arkansas

CANDIDATE FOR B.O.

Vice-President Society, '20; Delta Alpha Chi, '20, '21, '22, '23; Society Censor, '21; Oracle Staff, '21; Star Staff, '21: Winner Inter-Society Reading Contest, '22; Vice-President Society, '22; Choral Club, '21; President Society, '23.

"Enjoy the present day, trusting very little to the morrow."

"Sel" hasn't anything against studying she just hasn't time for it. One term her report card had an 80 on it. "Sel" went home perfectly horrified that her erstwhile, clean report card should be sullied by such a high mark. But she takes the prize in reading one of the most entertaining readers in Henderson. Her ambition is to be a Chautauqua reader. May success be yours, "Sel."

# JAMES THOMAS, Philomathean FORDYCE, ARKANSAS

CANDIDATE FOR B.M.

Choral Club, '21, '22, '23; Vice-President Society, '21; President Delta Alpha Chi, '22, '23; President Society, '22,

"Romeo, oh, Romeo, where art thou?"

James has her hands full running Little Ben. However, she finds quite a bit of time to give to music, and is one of our voice students who is always willing and ready to serve. James' voice is pleasing and gives promise to a bright future, for its attractive owner who, always, with a twinkle in her eye and a smile on her lips, deserves the success that will come to her.

ETHEL GRACE HARLEY, Philomathean WARREN, ARKANSAS

CANDIDATE FOR H.E.

Literary Critic Society, '22; Secretary Society, '23.

"Life is too short for mean anxieties."

To speak in plain English, Ethel Grace is a good cook. She has threatened to teach but the reputation she has managed to acquire in the culinary art will doubtless reach the ears of some "boarding-house-hardened" young man in time to prevent such a catastrophe.

EASTER BLACK, Upsilon Phi
TULSA, OKLAHOMA

"Her voice as sweet as if it took its music from her face."

If music has charms to soothe the savage beast, "Frenchy" is determined to find where they are located, for a song is always in her throat. But, for all her vocal achievements, "Frenchy" has had several other studies of which mankind is one of the most important. She believes the "proper study of mankind is man."

DORIS GOODWIN, Upsilon Phi EL DORADO, ARKANSAS CANDIDATE FOR H.E.

"Be not afraid of enthusiasm; you need it; you can do nothing without it."

Yes, Doris has had her men, but they've all been chased over the garden wall in favor of one, by George! Doris is one of our happygo-lucky, generous girls. She is not afraid of work, and with her pep and enthusiasm for it, success will be hers. Doris is true blue.

MATTIE WILLIAMS, Upsilon Phi
STAR CITY, ARKANSAS
VOICE

A. B. C. Club, '18, '19, '20; Graduate H. B. Academy, '21; Critic Society, '22; Winner Voice Medal, '22; Secretary Society, '23; Spanish Club, '23; Life Service Band, '23.

"A handsome woman is a jewel, A good woman is a treasure."

Yes, Mattie says what she thinks and thinks what she says. In her, there is no sham. She is true blue. She is known for her strong and charming voice which, with her quiet, strong personality, has won for her a place in the hearts of all those who know her.

JENNIE GREGORY, Philomathean
ARKADELPHIA, ARKANSAS
CANDIDATE FOR H.E.

"Quiet, reserved, dependent and demure, A friend of whom you are always sure."

Jannie is one of our town pupils who is with us very little, but those of us who know her have learned to love her. As a Home Economics student, she is unsurpassed and will sometime gracefully preside over some fortunate man's kitchen.

MARION CUFFMAN, Philomathean ARKADELPHIA, ARKANSAS CANDIDATE FOR H.E.

"Eat, drink, and be merry, for tomorrow you die."

Take a pair of blue eyes, a head of curly hair—bobbed, to be sure, fashions of course, and you have Marion. But for all this, she is a very good cook and is looking eagerly for a job. Man wanted!

INEZ CLEMENTS, Philomathean
ARKADELPHIA, ARKANSAS
CANDIDATE FOR H.E.

"A merry heart goes all the day."

Here is another one of the Home Economics girls. Inez is always in for fun and is always a jolly, good companion. Impulsive and free from care, yet loyal and persistent; who can tell what this young miss will do?

LOIS ELLIS Born September 29, 1903; Died January 17, 1923

When she first came to Henderson-Brown she took the path that brought her straight to the doors of our hearts—she smiled; we opened the doors and took her in. There we will hold her forever.

She will be with us when we cheer our teams, with us in the busy classroom, with us when we listen to sweet music, with us when we worship in the chapel. She will be by our sides when we look into His dear blue sky, and when we rest under the campus pines.

College work and college joys will encompass her, and memory with her sweet graciousness will rest upon her and love her for the gentle fairness and noble strength that she put alike into work and pleasure.

JIMMIE HAYGOOD, Coach Arkadelphia, Ark.

"Smiling Jimmie" was one of Dan McGugin's fanous quarterbacks at Vanderbilt. His name is synonymous with Reddie pep, and his brand of coaching is known throughout Arkansas and the South.

TURNER DELONEY, "D"

Center and Captain

Mineral Springs, Ark.

Dee made his first "H" in the days "befo' de war." After military service in France he returned to school in '21, and resumed his place on the all-state team; and he retained this enviable position this past season. Dee will be back with us next year, and promises to be even a greater sensation as the "fightingest line-man in Arkansas."

JOHN SUMMERVILLE, "Chicken"
Fullback
Benton, Ark.

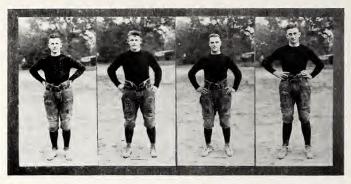

Chicken's knowledge of football, his tremendous driving power, and his ability to back up the line were the talk of the school. His brilliant playing won for him the position of all-state fullback, and captain of the team for '23.

MILTON YOUNG, "Mutt"

Manager of the Team

Gurdon, Ark.

Among his other numerous duties, scholastic and social, Mutt ably handled the business affairs during the past season. However, he will soon transfer his business training to other fields when he receives both degrees this year.

SAGE McLean, "Usury"

Left End

CADDO GAP, ARK.

Sage has played with the varsity for four seasons. No Reddie was more consistent or more versatile in his playing. For three years he served as a hard-hitting and hard-tackling halfback, and was chosen for this berth on the all-state team of '21. However, he was shifted to an end position this year when Coach Jimmie needed a good man to fill the place. Sage leaves a place that will be mighty hard to fill.

BILL HOWELL, "Smilin' Bill"

Right Tackle

KEO, ARK.

Where the fight was thickest, there Bill was seen to be. A serious injury to his arm in the middle of the season kept him out of the big games, but he managed to enter the Thanksgiving battle where he upheld his reputation as a demon in the line. Bill is another who has served his time, and leaves a gap hard to fill.

JEWEL McLean, "Bull"

Left Halfback

CADDO GAP, ARK.

Bull's fourth and last season was marked by brilliant playing. His clever headwork and his ability as a broken field runner made him one of the most valuable men on the team and a source of constant fear to his opponents.

HORACE WILLIAMSON, "Waldo"

Right Guard

WALDO, ARK.

Horace is one who has risen from the ranks. After two seasons with the Dragons he was unanimously promoted to a varsity guard position, which he filled with much credit. Judging from past performances, he will prove a valuable asset to the line next year.

OLIN CHAMBERS, "Mug"
Right Guard
GLENDALE, ARK.

Mug seems to have been hoodooed by Ole Man Jinx again this year. Last season he was kept out of the game on account of a broken arm, and in the early part of this season he sustained a broken ankle in scrimmage. His worth was recognized, however, when letters were awarded.

# CLAUDE TOLSON, "Bill" Right Tackle LEWISVILLE, ARK.

Bill is another graduate from the ranks of the Dragons, whose company he kept during his first year in college. This season his ability was recognized by the award of a tackle position on the varsity, thus conferring on him the distinction of winning letters in baseball, basketball and football in two years. He promises to be a strong factor in next year's line.

# ROBERT THOMASSON, "Sleepy" Left Tackle Arkadelphia, Ark.

Sleepy is one of the two first-year men to win a regular position in the Reddie lineup. His brilliant showing was cut short by his suffering a broken leg in the latter part of the Hendrix game. Although he was out for the rest of the season he won his "H." He will prove a mainstay in the line of '23.

# HAL NORWOOD, Right Tackle Lockesburg, Ark.

Merry Hal hails from Lockesburg, where many Reddies have been produced. Hal is valued as a speedy and a scrappy lineman. When a surprise attack from the forward position was needed, Hal was right there to deliver the goods. He is another dependable for the coming season.

# Dallas Dalton, "Pewee" Left Guard Stephens, Ark.

Pewee hails from where they grow 'em big. His prospects for winning a letter in his first year were blighted by a serious injury to his ankle, but this season he came through in grand style. He, with Williamson, formed the "Pillars of Hercules" on each side of the fighting center.

# FLETCHER YOUNG, "Fletch" Quarterback GURDON, ARK.

Fletch ended his career this past season as a Reddie. His educated toe proved a valuable asset in many emergencies, and his consistent punting was an invaluable aid in winning many games.

### BEN RUSH, "Snowball," End CAMDEN, ARK.

Although Snowball does not make a very heavy impression on a pair of scales, every pound of him is a pound of fight. Despite his handicap in size, he won his "H" for three successive years. He has the unique distinction of being the only man to win letters in football, baseball, basketball and track.

# COLLINS EDWARDS, "Pug" Right Halfback VALIANT, OKLA.

Pug is a scrapper from Oklahoma who for two years has held down the position of a plunging halfback. No man of his weight could hit harder, nor was anyone a surer tackler in the pinches.

# Erskine Orme, "Erk," Right End Hugo, Okla.

Erk is another Oklahoma find, and is the second first-year man to gain his letter in football this season. His playing was consistent, and marked by constant progress, indicating that the coach would have no worry over the position of right end next season.

# HERMAN CLEMENTS, "Jabbo" Left Tackle Arkadelphia, Ark.

Since winning his last "H" Jabbo ventured into the field of matrimeny and won for himself a heart. Being undecided as to the wisdom of mixing matrimony and football, he was late in joining the ranks, but speedily exhibited his old-time form. His loss from the squad will be keenly felt.

# GEORGE WORKMAN, "Susie," Guard Arkadelphia, Ark.

Susie is a player who has persisted under difficulties. Being crowded from the regular lineup this season by bigger men, he became a substitute guard who could always be relied upon.

# WILBUR WHITTHORNE, "Red" Quarter and Halfback Benton, Ark.

Red is the second contribution from the town up the road to this year's squad. Although light in weight, he was heavy in punch, his specialty consisting in his uncanny knack of sidestepping his opponent, and twisting through a broken field.

# HEARIN HARMON, "Toppy" Quarterback El Dorado, Ark.

Toppy struggled for two years in the ranks of the Dragons before achieving the coveted "H." He was handicapped by injuries during the early part of the season, but by Thanksgiving had rounded into excellent condition. In that game, being called upon to run the team, he proved himself to be the find of the season. He shows great promise as a field general for the season of '23.

# THORPE HAMILTON, Halfback McCrory, Ark.

Thorpe is another product of the Dragon mowing machine, in which he gained distinction as a broken field runner during his first year. Having been deprived of the privilege of playing in enough games to win his letter, he proved a valuable reserve to the regular backfield.

## Football of 1922

t l

HEN the school year of 1922-23 began, hopes of a brilliant season for the Reddies ran high. Better material had not been gathered on the Henderson-Brown athletic field in many a year. Thirteen letter men were back. A spirit of optimism prevailed. The first game, however, chilled the heart of even the most optimistic fan. Something was wrong.

In a miserable game on the home field, September 25, the Reddies blundered to a defeat of 12 to 0 by the Southeast Oklahoma Normal.

At once Coach Haygood began to remedy the evident defects of teamwork with gratifying results. On October 7, in their game with Vanderbilt at Nashville, the reorganized Reddies exceeded the expectations of their most ardent supporters. They held the mighty Commodores 7 to 0 in the first half, and were defeated 33 to 0 only after being battered down in the last quarter.

In the third game of the year, on Friday, October 13, the Reddies lost to Missis-sippi College at Pine Bluff by the score of 3 to 0 from a field goal in the second quartér. But they made a greater number of first downs, and registered more yardage. On October 20, however, the Reddies easily defeated the College of the Ozarks at Clarksville, 42 to 0—the first association game of the season.

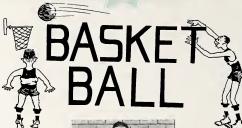

Friday, October 27, proved a red-letter day in the athletic calendar, for at Arkadelphia on that date a double victory was scored over the old rivals from Hendrix. In the morning the Dragons gloriously trounced the Bullpups, 26 to 0, and in the afternoon the varsity swamped the Bulldogs, 39 to 0.

In the next engagement, on November 3, the Reddies showed a reversal of form, and donated a game by 34 to 0 to L. P. I. at Ruston. On their second trip to Louisiana, however, they showed a better brand of football. At Shreveport, November 11, they battled the powerful Centenary machine to a scoreless draw during the first half, but, giving down under the assaults of their heavier and frequently changed opponents, lost the game, 28 to 0.

On November 21 the widely heralded "Wonder Boys" from Russellville came down like the wolf on the fold and won a thrilling contest by a field goal in the last minutes of play. But the Reddies had the edge in the yardage gained.

Last came the great Thanksgiving game with the Ouachita Tigers. As usual, the struggle was the hardest fought of the year. In this game also the Reddies made a greater number of first downs, but they were forced to swallow a bitter defeat of 8 to 0 through a safety and a touchdown in the first quarter.

Although the record of the season showed but two victories and six defeats, it was not one to be ashamed of. A heavier schedule had never been tackled by a Reddie team. All in all, the team of 1922 will rank as one of the strongest in the history of the college.

### Baseball

Last year's team was composed of some of the best players that have ever worn a Red and Gray uniform. The loss of such men as Stinnette, Captain '22; Taylor, Courtney, Edwards, Rogers, N. Smith and Rowland will greatly handicap Coach Haygood in his efforts to rebuild the team, but the presence of F. Young, Captain '23; Tolson, Hamilton, Rush, and Harmon is very encouraging this season.

However, a large number of new men have reported for practice, and competition for positions will be keen. At this writing Bell, Cobb, Thomasson, Dalton, Orme, Hardman, Atchley, and Blewster are making a good showing and undoubtedly most of these will win a position. The only serious weakness seems to be in the pitching staff.

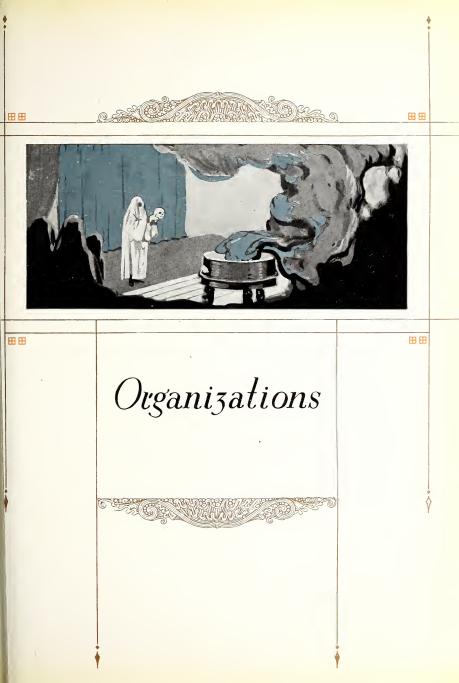

### Track

The team of last year experienced an unusually good season, many of our men winning first places in the annual track meet among the colleges of Arkansas. The meet was of unusual interest because of the fact that several state records were shattered. Sidney Page, captain of the team, broke the record of the mile run by several seconds. Other men winning first places were: Rush, two-mile run; Crawford, halfmile run; H. Baker, pole vault. Among those winning second places were: Snith, pole vault; Whitthorne, high hurdles; Norwood, low hurdles; Williamson, shot put and discus. Page is the only letter man missing this year and the prospects for a winning team are brighter than they have been for years.

Smith, captain this season, is expected to win his share of the honors; Williamson has a good chance to win in the shot put and discus throw; Baker should repeat his feat; Whitthorne and Norwood are due to win in the hurdles; Crawford undoubtedly will triumph again in the half-mile run; and it is generally conceded that Rush will break the record for the two-mile run this year because he did so in practice last year, besting the time by 30 seconds. Being sick three days preceding the meet, he was naturally out of condition and ran entirely on his nerve, winning by a very comfortable margin. He will probably run the mile race also this year.

At this writing nothing definite can be determined concerning the abilities of the new candidates aspiring for honors in the meet this season.

### JACK TIDBALL CLASS CREED

We believe in the cause for which Jack Tidball gave his life.

We believe in the beauty and power of the Christian life that Jack lived among us. Mindful of his life and of his death, we believe that it is our duty to so love Christ that we shall make His cause first in our school, first in our business, and first in our lives.

We believe that we should so shape our lives as to reflect credit upon our homes and honor upon our college.

We believe that, as college men, we should attend Sunday school and church, that we may learn more of Jesus of Nazareth, and thus bring ourselves and others into a joyous knowledge of our Redeemer.

  - "The sky is just as blue today, As when I used to meet her.
  - No flowering bud of jocund May, Was more unspoiled or sweeter:
  - And she is just as fair they say, Would that her heart were truer;

APPRECIATION

Now, that our task is ended, and we are relieved of the heavy task that has been resting upon us, we pause long enough to express our sincere thanks and gratitude to those who have helped and inspired us in the making of this book. The writers, unfortunately, do not possess a flowing command of bombastic utterances, so we can only say, simply but sincerely, "We thank you."

We extend our especial thanks to our photographers, Messrs. Thompson and Miller, for their valuable aid and suggestions. We are deeply indebted to Miss Martha Hall and Mr. Turrentine for their worthy contributions; to Miss Mooney for her beautiful and fitting sentiments, which too comprise one of the indispensable parts of this book, and Mr. Rogers has shown much leniency towards us as faculty critic. The Benson Printing Company and the Bureau of Engraving have given us invaluable aid and advice in this edition. To our advertisers, who made this book possible, we owe an unrecompensive debt of gratitude.
